

GSA Council SPECIAL Meeting AGENDA

Tuesday, June 4, 2024, at 6:00 pm

Held Virtually

The GSA and the University of Alberta reside on Treaty 6 territory and the homeland of the Métis. This territory is a traditional gathering place for diverse Indigenous peoples including the Cree, Blackfoot, Métis, Nakota Sioux, Iroquois, Dene, Ojibway, Saulteaux, Anishinaabe, Inuit, and many others whose histories, languages, and cultures continue to influence our vibrant community. In acknowledging this traditional territory and its significance for the Indigenous peoples who lived and continue to live upon it, we recognize its longer history that reaches beyond colonization and the establishment of European colonies and recognize the GSA's ongoing collective responsibility in working with First Nations, Métis, and Inuit (FNMI) peoples and what that means for the work of the GSA as it aims to practice the principles of being Good Relations with FNMI peoples, Nations, communities, and lands.

Substantive material is sent to all GSA Council members at least one week prior to the date of the meeting to give members abundant time to review. Any additional substantive material received after this mailing will be emailed as soon as possible.

Speaker Farhan Khalid in the Chair
